SUBJECT: **NOTIFICATION OF THE USE OF DELEGATED AUTHORITY TO AMEND
NINE HIV/AIDS MEDICAL CARE COORDINATION SERVICES
CONTRACTS**

This is to notify you that I am exercising the delegated authority approved by your Board on November 20, 2012, to execute amendments to HIV/AIDS Medical Care Coordination (MCC) service contracts that provide an increase or decrease in funding up to 25 percent above or below each term's annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable contract term, and make corresponding service adjustments, as necessary, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office.

Under this authority, I will execute nine MCC services amendments with the providers identified in Attachment A for the term of March 1, 2014 through February 28, 2015, to increase total annual funding in the amount of \$370,362, increasing the total annual obligation from \$1,481,443 to \$1,851,805; 100 percent offset by Ryan White Program Part A funds. These funds will enable the providers to enhance staffing capacity to meet increased client utilization demands, including the need for an increased number of assessments and brief interventions.

County Counsel has reviewed and approved the amendments as to form and this delegated authority action.

If you have any questions or require additional information, please let me know.
